

**Private School and Home School
Intramural Program
Kindergarten – 12th grade
Fall 2017
Registration Form**

An informal intramural program has been created for area private schools and home school families for students in grades K-12th. The fall intramural schedule will have soccer and kickball. Students from participating schools, along with home school students, will be mixed together to form teams for friendly and fun play.

Games will be played on Thursday afternoons starting at 4:00 p.m. and ending at 5:30 p.m. **The cost is \$5.00** per child for the fall session September 28 – November 2. Each school will determine transportation to the hosting school site, and home school families will meet at the hosting school.

Soccer and kickball will be offered. It is our goal to have four soccer teams and two kickball teams, but we will adjust as needed. Soccer and kickball will be played at the same time, therefore children may only participate in one or the other.

Soccer players will need shin guards and tennis shoes. Soccer cleats are optional. Kickball players will need tennis shoes. There are no uniforms. We will be using pinnies.

For additional information, private school families should contact their school's principal. Home school families should contact Joyce Parr 434-806-2903 for additional information.

**Friday, September 22 is the registration deadline.
Games begin Thursday, September 28.**
